

REMARKS

A substitute specification in compliance with 37 C.F.R. 1.125 is attached to incorporate the International and European priority applications by reference as well as include the required section headings. The attached substitute specification contains no new matter. The claims have been amended to delete multiple dependency and place them in better form for examination. The abstract has been amended to remove figure references.

Accordingly, it is believed that the application is in good condition for examination. Questions are welcomed by the below-signed attorney for applicants.

Respectfully submitted,

GRiffin & Szipl, P.C.
